

Red Wasp Film Festival Submission Form

Friday, November 6, and Saturday, November 7, 2009
StageCenter 201-B W 26th St. (stagecenter.net), Bryan, TX

The seventh annual film festival attracts local filmmakers as well as artists throughout the state and the nation. This will be Red Wasp's fourth year located in downtown Bryan, TX, and the second year at StageCenter.

The Red Wasp Film Festival is open to all filmmakers and especially encourages Texas filmmakers to submit films. Short films of 30 minutes or less are especially encouraged, and music videos, animation, and movie trailers are also accepted. This is also the first year that Red Wasp is accepting screenplay submissions (for films that have not yet been produced). As a means of promoting the work of independent filmmakers and the festival, there is **no submission fee** for RWFF 2009. **Note:** Submissions are limited to **two per person**. To be considered for inclusion, all entries (**2 DVD copies of your film or a screenplay in an electronic format**) must be postmarked no later than **September 26, 2009**.
